Assessment 13-6-0 of Hosakeri village are assessed waste wet lands. They were formerly held on patta, but were attached for land revenue arrears of F 1345. Though they were auctioned on three occasions on 16-4-36, 31-8-36 and 9-1-37, they fetched no bids and were bought in by Government. Their sale was confirmed in Sub Collector's L.Dis. 844/37 dated 24-2-37. The resale of these bought in lands was also tried on 29-5-37; but no bids could be secured. They were, therefore, removed from the special register of bought in lands in Sub Collector's L.Dis. 3639/37 dated 10-7-37.

2. These lands have now been under the sivaijama occupation by the darkhastdar, Kotrabasappa, for about nine months. It is reported that he has spent a sum of Rs. 30/- in reclaiming them. The value of the lands prior to reclamation is estimated at Rs. 23/- I, therefore, request that their sale in public auction may be dispensed with under B.S.O. 15-22(3) as amended by C.S.No.45/9-5-34 read

p 384 of BK No 69 Under B Sl No 45-4, a divisional officer can if he is satisfied that a brought-in-land cannot fetch more than Rs 10/- an acre at a fresh sale order its assignment to the poorer classes or direct that it be struck off the separate regr. of brought-in lands & classed as ordinary village waste. In the present case (Extent 2.12 acres) although the value of the lands proposed for assignment is estimated at Rs 23/- i.e. slightly more than Rs 10/- an acre, it was found that no bids could be secured at the resale of the lands which was held on 29.5.37.

Although the period of Sivarajan occupation by the applicant in the present case, is only 9 months, it is reported that he has spent a sum of Rs 30/- in reclaiming the lands, which

more than the value of the land. ~~draft~~
the amount spent by the corrigendum
may therefore be taken to be a
considerable amount of the private sale
launching under B. SO no 15-22(4)(i). pM (46-47)
